Maybe it's the weather?

Anyway, I was actually waiting for Meleen's signature page before sending it up the chain, since the signature lines for Meleen and EPA's Division Director are on the same page. Let me check to see if I can have the Division Director sign a counterpart pending receipt of Meleen's original.

No. Went regular old snail mail but was sent on 3/3. Do you have the signatures you need?

Tim,

The original still hasn't arrived. Any chance you can track it?
